FSCT 0077 - INSPECTORS' CORE EDUCATION I WORKSHOP

This course is for new or potential inspectors who have been designated to conduct inspections of inquiries/complaints filed with the professional colleges in British Columbia. Participants will be provided with the beginning knowledge and skills required to investigate inquiries/complaints in accordance with appropriate laws and policies under the Health Professions Act of BC. A theoretical core body of knowledge is provided followed by guidance into the investigation process in order to provide the participants with beginning skills needed to become an inspector.

COURSE DETAILS

DATE: Saturday, February 25, 2012

LOCATION: BCIT Downtown Campus

TIME: 08:30 to 17:00

COST: \$221.89 (CRN 77532)

FSCT 0084 - INSPECTORS' CORE EDUCATION II WORKSHOP

This course is for inspectors who have been designated to conduct inspections of inquiries/complaints filed with the professional colleges in British Columbia. Participants will be provided with advanced knowledge and skills required to investigate inquiries/complaints in accordance with appropriate laws and policies under the Health Professions Act of BC. Guidance by an experienced inspector into the investigation process utilizing examples of specialized tools and case studies will provide additional resources and references for the inspector.

COURSE DETAILS

DATE: Sunday, February 26, 2012

LOCATION: BCIT Downtown Campus

TIME: 08:30 to 17:00

COST: \$221.89 (CRN 79562)

REGISTRATION

Departmental approval is needed to register. Call Cindy Chan at 604.412.7433 or email Cindy_Chan@bcit.ca.

HUDSON ANDREWS INSTRUCTOR

Hudson Andrews, RPN, B.Sc., M.Sc. CFRC, has been in health care for 40 years. For over two decades he has been an educator and an inspector, as well as a consultant in matters of professional practice standards.
